JANUARY CALENDAR

PRINCIPAL'S MESSAGE!

Hello Athol Families!

We are looking forward to a great month full of fun learning! Here are some things you should know....

Winter Weather

Please make sure you are sending your child to school with all the fixings for cold weather play. Warm gloves seem to be the biggest thing that kids lose easily or forget to grab on the way out the door. We have some extra gloves but not enough to continue the supply through winter:) We go outside unless it is below 10 degrees. Our recess periods are no longer than 15 minutes.

Read, Read, Read

Over break is a great time to get your child interested in some good books. Find an author or series they enjoy and get them into reading! We will start our reading incentive program in January so look for more information coming soon!

End of quarter

We are nearing the end of the quarter and will check student's progress at the end of the month. Students have been working hard setting goals and working to achieve them. We are looking forward to celebrating their growth!!

All the Best!

Mrs. Thomas
